File No. 212 -06

SUBJECT.

Re the transfer of the haraward of murzavar's post of the Hyderabadi Dargah at mulbagal

From

The Dy. Commr., Kolar Distt.

No. 6171 / H118 dated 4th April 1908

(Slip A) Kulsumbi wife of Hyder Sabi (deceased) late murzavar of the mulbagal Dargah has memorialized H. H. the Maharaja representing that the post of murzavar held by her deceased husband is hereditary in the family and that having no male issue, she is under the protection of one Zipper Mastan her daughter's son She prays that the post in question may be transferred to her grand-son's name and that

the objections put in by her distant cousins may not be noticed the memorial forwarded to this office for disposal was referred to the Deputy Commr., Kolar District, with a request to be informed of the action taken on the memorial. That Officer has submitted a detailed report thereon together with the records of enquiry

From the vernacular records it is observed as follows:—

On the 1st April 1905, Kulsumbi (Slip B petitioned the Dy Commr stating that the muzavaree's post in the Mulbagal Dargah stood in her name and that owing to old age, it was hard for her to go all the way to the Taluk Office and receive payment of the emoluments attached (Rs. 1-10-2) to the post. She prayed that the post might be transferred to her grand-son (daughter's son) Zippu Mastan's name and that

he ~~might~~ might be permitted to receive her pay the petition having been referred to the Taluk authorities, the Amildar submitted ~~only~~ the statements of Kulsoombi and Tippu ~~Sahiban~~ mastan, and reported that Kulsoombi agrees to keep herself under the protection of her grand-son and that Tippu mastan agrees to attend to the duties of the Muzavar post He further reported that as prayed for, orders ~~might~~ might be issued transferring the Inamward to Tippu mastan's name and that the pay might be disbursed to him On his order no 24 dated 30th Septr 1905. the then Dy. commr Mr. K. P. Puttanna-hetty directed that owing to Kulsoombi's old age, the post might as desired by the petitioner, be conferred upon Tippu mastan

Thereupon Hyder Saba wrote complaint petitions protesting against the transfer of the karanam to Zippu Mastan's name He states that he and Hyder Saba. (deceased) husband of Kulsumbi were 4 cousin (Slip D brothers. that after the latter's death some 30 years ago, the karanam was transferred to Kulsumbi's name, that since then he has been attending to the duties of the post; that there are 6 muzamars who are major Hissedars, and that Kulsumbi is a minor Hissedar He further states that during her life-time, Kulsumbi should enjoy the perquisites attached to the post and after her death, it should be conferred upon a member of the male line, that Zippu mastan who belongs to the female line should not get it and that Zippu mastan holds an appointment in the

Excise Department. He prays for the cancellation of the Dy. comm's order on the subject.

Kuluvambi admits that Kasim Sahib was discharging the duties of the post since her husband's death, but that he was being paid for it, that her husband and Kasim Sahib were living separately, and that Zippan mastan was adopted by her.

(Slip E) The Amildar reports that on enquiry he came to know that Zippi mastan was holding a Peon-makers, post in the Excise Dept., that Kuluvambi has deposed for the first time that she has adopted Zippan mastan. that no mention of this fact is made in her petition of the 1st April 1905 addressed to the Dy Commr. K. B. Puttanna chetty, and that

the others murzavars deposed to the effect that the male varasdavars alone should conduct services in the Dargah and that there is no manual for members of the female line to do so.

Thereupon Kuluvumbu went on petitioning the Taluk and District authorities on the subject

A mahazar drawn up in the Taluk office and signed by murzavars of the Dargah and leading members of the Mahomedan community of Kuthagal town has also been received In it, the constitution of the murzavar-ship is enumerated at at length- It is stated that there are 6 groups of murzavars, Kasim Sahib being the head of one of the groups and Kuluvumbu being one of the 3 co-sharers in this group, the duties are performed by them (Slip F)

by turns, that the female karawadis can only receive their pay and during their turns. Their work will be performed by other male Hissedars, and that after their death, their hak will merge in the group to which they belong. It is further stated that the female muzavars cannot exercise the right of adoption, that if they wish for it, they can adopt a member of the group to which they belong, that it is not customary for a female member of one group to adopt even a male member of the group other than the one to which she belongs, that if the female muzavars adopt others, their hak so far the muzavari post is concerned, ceases though they may be entitled to interest other

worship in the Dargah.

In his report dated 13th September 1904, the Amildar states that (Sh. Cr.) at the time of the Dy commr. Mr K. B. Subbanna chetty's order, muzavars and others were not examined, that only the Statements of Kuksumbi and Zipper Mastan were recorded, that the muzavar's post is hereditary, that Zipper Mastan is a Sub Inspector in the Taluk Excise Dept. and is not likely to give up his appointment, that contrary to manual, if the post is conferred upon Zipper Mastan who is unconnected with the family of male Hissedars in attempt by him to go into the Dargah and to conduct fateha and other services, may result in disturbances of ~~tranquility~~ tranquillity. He solicits

that if it is not possible to modify the previous orders, a reference may be made to the Muz. Deptt. for suitable orders being passed on the subject.

The Assistant Commissioner Mr. K. Srinivasa Rao states that as reported by the Amildar, the Muzavar's post belongs to male-Hissedars, that the previous orders relating to the transfer during Kulsumbi's life-time requires fresh consideration, that it is not clear from the records that others of the Mahomedan community and leading members were examined at the time of the passing of the previous order, and is of opinion that it is suitable to confirm Kulsumbi in the post, ~~as proposed in the reports of the Subordinates~~, to get the duties -

(Slip C)

performed by other Hissedars as before during her life-time and to make the payments to her of the emoluments. He adds that the above proposal is acceptable to other muzavars.

The Dy Commissioner has submitted lengthy report* on the subject (November 1907) He reports that he explained to the parties concerned that the Dy. Commissioner simply sanctioned Kulsumbi's request or in other words did no more than merely permit Sipper Mastan to put in an appearance at the butcheriff and draw Kulsumbi's allowance as her agent dispensing with her personal appearance. That in this order, there is no transfer of Hak or anything else connected with the performance of the duties (Pa.

of Murzanar, and Mai on his reading out the petition and the order explaining the situation, all the parties admitted it was so He is of opinion Mai under the circumstances, to avert further complications and emplaints, he has directed Mai in future, ~ Kulsumbi herself should receive her stipend in person at her own convenience and add Mai he has informed the parties concerned Mai the question of the transfer of Hak could only arise after Kulsumbi's death when it would be disposed of on its merits.

As regards the payment

(Slip H) of allowance, an endorsement has since been issued to Kulsumbi

permitting her to draw the allowance through her grand-son provided she authorizes him under a Power of Attorney and also forwards a life certificate. A copy of this endorsement was forwarded to the Dy. Commr., Kolar District on the memorial under reference, the Dy. Commr. in his report of the April 1908, (Sup 9), states that he has already reported on the matter in his aforesaid [illegible] communication.

Secretary to Government
Muzrai Department

Sir,

With reference to your docket no: 693 dated 6th august 1907, calling for a detailed report of the allegations contained in the accompanying petition of Khasim Sab and Imam Sab of Mulbag. complaining that the hereditary post of Muzavar of the Darga at Mulbagal has been transferred to the daughter's son of one Kulusumbi, and that he Tippu Mastan stands in their way of conducting Urus and other services, I have the honor to state that I had reserved the subject for personal enquiry and that while at camp in Mulbagal, on the 6th instant, I sent for the petitioners and the counter petitioners, Kulusumbi and Tippu Mastan and heard them all and other leading Musalmans of the place, on the subject of the petition.

2. There are 36 Muzavars in the said Darga at Mulbagal of whom 4

ales and 32 males, and the duties of Muzavars are performed by them in turns. During the turns of the female Muzavars their work is performed not by themselves, but for them, by other male hissedars. In accordance with this, what would admittedly seem to be immemorial practice, the petitioners contend that during the Kakdar Kulusumbi's turn, they as male hissedars should perform the duties of Muzavar and not Tippu Mastan, who being only a daughter's son of Kulusumbi, is not a kakdar that can perform the said duties. So much for the practice and admissions of all concerned.

3. Coming to facts, I find that on 1st April 1905, Kulusumbi requested the permission of the then Deputy Commissioner, Mr K. P. Puttannachetty to permit Tippu Mastan her grandson, to receive her monthly stipend for her from the Taluk cutcherry which she pleaded she was unable to attend in person, owing to her old age, and that such alone was her request, was admitted before me not only by herself, but also by Tippu Mastan himself, who also stated that it was he that caused such petition to be presented then. The Deputy Commissioner simply sanctioned

Kulusumbi's

Mas... to put in an appearance at Cutcherry and draw Kulusumbi's allowance as her agent, dispensing with her personal appearance owing to her age. In this order, there is no transfer of hak or anything else connected with the performance of the duties of Muzavar. On my reading out the petition and the order explaining the situation all the parties admitted it was so.

4. Under such circumstances to avert further complications and complaints, I have directed that in future, Kulusumbi herself should receive her stipend in person at the Taluk Cutcherry, at her own convenience and have also informed the parties concerned that the question of the transfer of hak could only arise after Kulusumbi's death, when it would be disposed of on its merits.

5. The connected vernacular records with Kulusumbi's petition of 1st April 1905 and Deputy-Commissioner's Order No. 148 dated 30-9/2.10.1905 thereon, are herewith submitted for information and favour of return when done with.
